Rules of the Bestseller Fiction Club

- Only new, adult, regular print authors are included.
- You may be a member of the Bestseller Fiction Club **OR** the Large Type Bestseller Fiction Club (which has a separate form), but not both.
- You may select **ONLY** from the list of authors on the form.
- Your library card must be in good standing. You must inform the library of any changes to your address, email address, telephone number, or pickup location.
- Once notified that your holds are available, you will have one week to pick them up. If you do not pick up your holds within one week, your hold(s) will not be replaced; you must re-request them.
- To add or delete authors, you must submit a new form. Allow 6-8 weeks for your changes to take effect.
- There is a limit of 100 holds per customer account. We may not be able to meet a customer's requests if the number of account holds is more than 100. We are sorry for any inconvenience this may cause.
- Please note: James Patterson's shorter length books called BookShots will not be placed on hold through this program. Customers wishing to hold a "BookShot" book will need to place their own hold or ask for assistance from library staff to do so.
